Dear Editor,

APPOINTMENT OF EXTERNAL REVIEWER — PERTANIKA JOURNALS

I am pleased to invite you as an external reviewer for *Pertanika* Journal of Social Sciences & Humanities (JSSH). Your name will be added to the list of reviewer panel, and you will be requested to review from time to time as when we receive the relevant article.

Blind reviewing is a thankless task and yet of such importance to the standing and quality of an academic journal. To acknowledge the valued contributions of our reviewers, we publish their names in our journals.
